5. ***Youth 30 Hour Famine Project**—This year, our Youth Group is raising funds for the "Samaritan's Purse - Children's Heart Project. This project helps children from around the world get the heart surgery they need to live a long and productive life. Physical and spiritual hearts are transformed through this ministry to children and their families. Our goal is \$3000. Prayerfully consider giving to this year's project. **More information and an offering box are located in the church lobby. Please make checks payable to Samaritan's Purse.** Praise the Lord that we have received \$620 in donations already. Thank you so much.
6. Because the flu and other sicknesses can be contagious and spread quickly to other people, we gracefully request that a person infected with the flu or other sickness stay at home and recover from their sickness before coming to church. We truly appreciate your help and cooperation in this matter.
7. Due to recent complaints regarding business activities in church, it is necessary for us to remind brothers and sisters of the long term church policy: there will be no solicitation within our church. Please respect the nature of the church and restrain from soliciting visitors and church members in the church setting; do not use data and relationship with new comers/members for business purposes. Instead, the church has a small section of bulletin board in the hallway dedicated to "Community Board" for brothers and sisters to place their business cards: limited to one business card per person, no additional advertisement posting. All business cards need to go through the administration secretary, and can be placed on the board for maximum of three months. The board is for church members' use only, not open to business from outside. Thank you for your cooperation.
